# FROM THE PRESIDENT'S DESK

Was a time, not that long ago, when the year used to stutter to a start with a few leisurely events in February and March but nothing serious till Easter. My how things have changed and what a hectic start to 2014 it has been.

We have already had a 12 Hour race at Bathurst, a NSSCC 60th birthday, a round of the ARC, a NSW Championship round, our first khanacross of the year, two V8 Supercar rounds and the two F1 Grand Prix including our own Aussie GP at Albert Park... phooo! It's hardly given us time to draw breath and now we have our round of the new DRS at Termeil, the VSport Stages this weekend and more to come.

The world sometimes feels like it is travelling too fast but lets hold the throttle flat and hang on for the ride.

On a purely club point of view the first khanacross of the year was great fun at Colo a week or so back. It was a small but enthusiastic entry and this writer even got his old Datto out for a bash around the challenging courses that Howie and co came up with. Thanks to all the officials that came along and helped it was a great day and lots of fun, congratulations to Craig Kenchington on his win in the mighty little Arthur Jackson Honda Special buggy... don't forget we have another one scheduled on 11th May and most importantly we have our round of the State khanacross on June 22 both at Colo.

After VSport Stages our next big event will be the Rally of the Bay in Batemans Bay on 7th and 8th June (the Long Weekend) It will be a massive weekend and certainly we will need every club member possible down there to help please, if not dust the car of and come and have a drive on the fantastic South Coast rally roads.

Later in the year we are hoping to debut our tarmac twilight ralliesprints at the Sydney International Dragway. We intend to run one on a Thursday evening in daylight saving time from October to February with the opportunity to come out and have a speed for a few hours on a challenging short course rally format of around 3.5km without infringing too much on your weekends, a bit like playing a round of golf after work a few times over summer. We will keep you posted on details about this but it has taken an enormous amount of work over the past couple of years has gone into getting these events up and running and we are very pleased that we now have approval to do it. Stay tuned.

The club has also recently invested in a dual axle enclosed and lockable trailer along with a dozen pop up shelters for use at our rallies and khanacross events and this is going to make life a lot easier in getting gear too and from events and also keeping it all safe and dry between events.

I have to say a thanks to Colin Fletcher for all of the massively hard work he is putting in to both the Rally of the Bay and the VSport Stages and along with Howard Grove who never stops working hard for the club is the real driving force behind making these big events happen. Thanks guys and we need more people to pitch in and help.

Finally had the opportunity to visit the new Luddenham Park Raceway the other day, which is not far off Mamre Road in Western Sydney, not surprisingly in Luddenham. What a tremendous venue and a terrific circuit, which is already under construction on a perfect hillside. The location is about 20 minutes west of Sydney Motorsport Park and will give clubs a great venue for supersprints and other tarmac events. I also had the opportunity to chat with the Vikmurica family who are building the circuit on their land in a beautiful little fold of hills with a picturesque olive grove on the hill overlooking the track. I did suggest that perhaps a dirt circuit could be a good addition and they are taking that on board and are certainly interested. Keep our fingers crossed.

Of course there is also a proposed new track north of Sydney near Wyong at CASAR Park and I am on the board of that venue which will also present some great motor sport opportunity when it comes on line in 2016. Finally motor sport may be getting some decent accessible and economic facilities again in the Sydney basin, lets hope so.

Hope to see you all at our club meeting at Roseville Memorial Club starting at 8pm on Monday 7 April, the more the merrier, bring your mates, enjoy dinner before the meeting at the club's superb bistro and enjoy a great night out. See you then

Regards

Jon Thomson
