

Before having your car regionally scrutineered, please consider the following:

- Check the Supp Regs – some event organisers make certain arrangements for scrutineering and may require you to advise them if you are organising regional scrutineering. Understand the requirements of every unique event.
- Book an appointment. Regional scrutineers are all volunteers, so please call and arrange a time with them. Never just “show up”.
- Scrutineering needs to be completed within 7 days prior to an event.
- Take your personal safety gear with you to scrutineering (e.g.helmets, driving suits, etc)
- Take your documents with you, including your vehicle’s log book
- If you have any doubt or questions, phone the Clerk of Course or Event Secretary for clarification

The list of Regional Scrutineers is available in the table below. Call your nearest scrutineer to make a booking. Then, take the completed scrutineering form with you to the event to present to the Event Secretary at pre-event Check-in.

Michael Harding	Techworkz Automotive	Unit 4/209 Scollay St Tuggeranong	ACT	02 62932424, 0418837055
