

The North Shore Sporting Car Club is pleased to announce a new partnership with **Singleton Automotive Centre** in presenting the **Singleton Automotive Centre Caves Classic Rally** at Jenolan on 8 April 2017.

Singleton Automotive Centre is a newly established Ford and Nissan dealership in Singleton by long-time club member Rob Inall and his wife Karen.

Rob is proud to be able to join as a naming partner for this event and is also planning to compete!

He said, "The Caves Classic is an event near and dear to me after many years of competing and volunteering. It was a rally I did in my first season in the early 90's and I've been involved in it in some way ever since. To have the family business name associated with it for 2017 will be a proud moment."

Rally Director John Sparkes, who has competed against Rob for many years, said "It's fantastic to have Rob's new business gaining exposure to the motorsport community and beyond through our event. I wish Rob and Karen every success with their new venture and feel sure the partnership with NSSCC will be mutually beneficial for their business and our club."

The **Singleton Automotive Centre Caves Classic Rally** will be the first round of the NSW 2017 Development Rally Series and Hyundai Rally Series, held on 8 April 2017 in the Jenolan and Hampton State Forests near Lithgow.
