

Thanks for your interest in covering the AMH Automotive Group Rally of the Bay. John McCredie will be managing all aspects of the Media for the rally and If you have any questions, please don't hesitate to make contact on 0413 042 763.

There has been plenty of media attention surrounding the event and we have Photographers, Videographers, Journalists and other media outlets interested in attending the event in a media capacity.

With the current NSW government restrictions and regulations currently in place to deal with the COVID-19 pandemic, North Shore Sporting Car Club needs to have a number of conditions in place to ensure the safety of competitors, officials, volunteers, the media and the general public.

To attend the event as media, you will need to submit a comprehensive plan detailing your movements on the day of the rally. This will need to include information about you, your team, and the exact locations you will be attending. This will include accurate timing, including time of arrival and departure. To make it easier to write your plan, a [downloadable word document](#) can be used as a template.

The plan must be received no later than 5pm on the 2nd of July 2020, however please submit your plan as soon as possible to allow us the opportunity to review and collate the information. Send your plan and other documentation (see below) to [media@nsscc.com.au](mailto:media@nsscc.com.au)

It is therefore necessary the [Event Website](#) be monitored for Bulletins and variations prior to the event.

Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or lack of sense of smell.

Many administrative and operational processes for the event may be very different to what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read the COVID-19 Plan for Media closely and in the lead up to the rally, monitor for any applicable changes that may be made to the event as they become available.

Social distancing and other COVID-19 practices must be observed at all times.

All personnel are asked to assess the risks associated with any practice that they are involved with, and take action to minimise the potential injury to themselves and any other personnel.
