

2021 RALLY OF THE BAY BATEMANS BAY - NSW

MEDIA INFORMATION

Thanks for your interest in covering the 2021 AMH Automotive Group Rally of the Bay. The media manager or the 2021 event will be John McCredie and he will be managing all aspects of the Media for the rally. If you have any questions, please don't hesitate to make contact on 0413 042 763.

There has been plenty of media attention surrounding the event and we have Photographers, Videographers, Journalists and other media outlets interested in attending the event in a media capacity.

The COVID-19 pandemic is still affecting the way clubs run events, so North Shore Sporting Car Club may have conditions in place to ensure the safety of competitors, officials, volunteers, the media and the general public. These will be communicated to registered media before the event.

To attend the event as media, you will need to submit a brief plan, detailing your approximate movements on the day of the rally. This will need to include information about you, your team, and the general locations you will be attending (stage numbers, service etc). To make it easier to write your plan, a downloadable PDF Form can be found in the media section on the website.

The plan must be received no later than 5pm on the 16th of July 2021, however, please submit your plan as soon as possible to allow us the opportunity to review and collate the information. Send your plan and other documentation (see below) to media@nsscc.com.au

NON NEWS GATHERING VIDEO MEDIA

Non news gathering video media (video footage captured for uses other than in news reports) should contact the Media Manager to discuss opportunities and options for video footage BEFORE the event.

DRONE USE

Special arrangements must be made for drone use at the event. If you would like to utilise a drone, please read the Motorsport Australia Drone Policy document (link on the website) and also contact the media manager on 0413 042 763.

RISK WARNING, DISCLAIMER AND INDEMNITY

The downloadable Motorsport Australia Risk Warning, Disclaimer and Indemnity must be completed by all Media personnel and returned with your media plan.

SIGN IN AT RALLY HQ

Rally Headquarters is at the Batemans Bay Marina Resort. There will be no need to sign in to the event if you have registered and received confirmation of registration.

Please email media@nsscc.com.au to obtain a link to a google map of the stages. The schedule below has also been provided to assist you in deciding where to go in the Forests. Please note that this is a draft schedule, and any changes will be provided to registered media before the event.
