It is therefore necessary the Event Website, Event Facebook Page, Rally NSW Website, Rally NSW Facebook Page be monitored for Bulletins and variations to the Supplementary Regulations prior to the event.

Under no circumstances should anyone with symptoms consistent with COVID-19 attend the event. This includes any fever, respiratory symptoms, shortness of breath, sore throat, cough, fatigue, or sudden lack of sense of smell or taste.

Under no circumstances should anyone attend the event if they have been:

Motorsport Australia strongly encourages the use of the Australian Government's 'COVID Safe App' for all event participants.

Many administrative and operational processes for the event may be very different to what has been normally experienced in the past. This may result in some activities taking longer than expected. Please allow additional time and tolerance during this difficult period so we can all participate and be involved in the sport we love. Please do read these Supplementary Regulations closely and in the lead up monitor for any applicable changes that may be made to the event as they become available.

ARTICLE 3 SCRUTINEERING & DOCUMENTATION

3.1 Scrutineering:

Scrutineering for the event will follow the Motorsport Australia Return to Race Scrutiny of Vehicles and Apparel Guidelines: <https://www.motorsport.org.au/covid-19>

The Scrutineering process will be different for:

- Vehicles with a Motorsport Australia Log Book
- Vehicles without a Motorsport Australia Log Book

NOTE: Scrutineering processes may change closer to the event due to changes to the COVID Guidelines.

Please check www.nsscc.com.au for any event further regulations and changes.

Scrutineering for Vehicles WITH a Motorsport Australia Log Book:

A vehicle with a Motorsport Australia Log Book does NOT need to be checked by a Scrutineer.

The Competitor/Crew must, prior to the event, email the Event Secretary a filled copy of the two approved Self Scrutiny forms found here:

1. Self-Scrutiny Checklist – Rally/Road: <https://motorsport.org.au/covid-19/competitors>
2. Event Entry Self-Scrutiny - Statement of Vehicle Compliance: <https://motorsport.org.au/covid-19/competitors>

The Competitor must also email the Event Secretary a copy of the Vehicle Log Book including the vehicle details page and the event log.

Spot checks on competing vehicles will be made during the event/s by the Event Scrutineers. The Vehicle Log Book must be ready to be checked at any time during the event/s.

Scrutineering for Vehicles WITHOUT a Motorsport Australia Log Book:

A vehicle without a Motorsport Australia Log Book will need to be checked by an approved Motorsport Australia Rally Scrutineer. There are two options for Scrutineering:

1. **Regional Scrutineering:** Competitors are requested to have their vehicles scrutineered by a Motorsport Australia Regional Rally Scrutineer in the 2 weeks prior to the event. The list of Regional Rally Scrutineers is available at <http://www.rallynsw.com.au/info/organisers/scrutineering/>

The competitor must email the Event Secretary at adriana.pallister@nsscc.com.au to get a copy of the Event Scrutineering Form prior to attending regional scrutineering. If the correct form is not used, the vehicle will need to be re-scrutineered at the event. The Competitor is to fully fill out the form prior to visiting the Scrutineer (the Scrutineer will ONLY sign the form).

The Scrutineer will perform a non-contact walkaround of the vehicle and check of apparel compliance. If satisfied, the Scrutineer will sign the Event Scrutineering Form by using Covid safe hygiene practices and return the form to the competitor. The completed form is to be emailed by the Competitor to the Event Secretary prior to the event.

It is recommended that regional scrutiny be utilised where possible to reduce demand at the venue on the date of the event.

2. **Event Venue Scrutineering:** Event Venue Scrutineering is available at the Sydney International Dragway Scrutiny Bays on the Eastern (dragstrip) side of Rally HQ (Blue Building). See Appendix A location map for details. Event Venue Scrutineering is available between 1500hrs and 1715hrs on the day of the event.

There is limited time for Event Venue Scrutineering.

To be eligible for scrutineering at the event YOU MUST email the Event Secretary at adriana.pallister@nsscc.com.au to book an allocated time. YOU CAN NOT JUST ARRIVE AT THE EVENT for Scrutineering without first contacting the Event Secretary. Bookings for Scrutineering will be closed once entries close for each event.

Once you have booked a time for Event Venue Scrutineering, the Event Secretary will email a copy of the Event Scrutineering Form. The Competitor is to bring a fully completed form to the event to present to the Scrutineer (the Scrutineer will ONLY sign the form). NOTE: No printed forms will be available at the event.

It is the Competitors responsibility to present their vehicle to the Scrutineer in a timely manner to ensure that enough time is allowed for the vehicle to be checked for compliance. It is recommended crew arrive early, as it's expected to be busy and delays will occur.

The Scrutineer will perform a non-contact walkaround of the vehicle and check of apparel compliance. If satisfied, the Scrutineer will sign the Event Scrutineering Form by using Covid safe hygiene practices. The Competitor will need to present the form at Event Documentation.

3. The Competitor/Crew must also complete the following two approved Self Scrutiny forms found here:
 - Self-Scrutiny Checklist – Rally/Road: <https://motorsport.org.au/covid-19/competitors>
 - Event Entry Self-Scrutiny - Statement of Vehicle Compliance: <https://motorsport.org.au/covid-19/competitors>

- Competitors are advised that any in-car video or moving film cameras must be installed in the vehicle prior to scrutiny so that the camera and its mounting can be inspected.

3.2 Documentation

Documentation is located at the Sydney International Dragway Carpark – in the Blue building. See Appendix A map for location details.

Subject to NSW Government legislated COVID-19 constraints on the day, there may be strict limits to the number of people who can be present in the room where Document Verification will occur and social distancing practices will be observed. For this reason it is highly recommended you allow additional time for this process to be completed for your entry.

It is highly recommended that as much of the documentation be provided to the Event Secretary electronically prior to the event.
